Each year Welvista hosts the Ladson Boone Chapman Easter Egg Hunt. This children helping children charity event benefits Welvista's Smiles for a Lifetime Program.

The Smiles for a Lifetime program offers preventative and restorative dental care for students in grades k4 -12 at no cost to the families we serve.

We currently have 5 dental centers that serve 28 schools, 4,000 students and perform more than 6,000 procedures each year.

April 6 2025

The Ladson Boone Chapman Easter Egg Hunt is a charity event that helps raise awareness about our program and all proceeds directly benefit our dental centers and the students they serve. Together we can make a difference in the life of a child and their family!
